

“KEEPING UP WITH THE DEMAND!”

MENTAL HEALTH PROFESSIONAL

Looking for licensed, experienced mental health professionals interested in joining a thriving practice focused on trauma-related issues.

Qualifications:

- Virginia licensure (PhD, LPC, LCSW, LMFT, or equivalent).
- At least three years of experience working with children, adolescents, and families.
- Advanced training or certification in trauma treatment, expressive therapies, or play therapy (preferred).
- Strong interpersonal skills to seamlessly integrate into a supportive, multidisciplinary team.
- A commitment to fostering a diverse and inclusive environment.

Advantages:

- Rich learning environment with opportunities for professional development and continuing education.
- Weekly Peer Group Consultation.
- Monthly Clinical Case Consultation with Dr. Gil.
- Training in a variety of assessment and treatment protocols.
- Supervision for RPT play therapy credentialing with team members.
- Intake coordinator, billing services, fully stocked play, sand, art therapy offices.
- Opportunities to offer group therapy on varied topics.
